Durgapur, West Bengal

Profile

I am a Cyber Security enthusiast with strong knowledge of web development basics. Passionate about Artificial Intelligence and Machine Learning, I also have experience in full-stack development. With a solid foundation in data structures and algorithms, I enjoy solving complex problems. I aim to apply my skills to innovative and impactful projects.

Education

Durgapur Institute of Advanced Technology and Management

B.Tech in Computer Science and Engineering, CGPA: 7.2

Oct 2022 – Jul 2026

Durgapur, West Bengal

Balsi High School

Secondary Education, 75%

Jul 2020

Bankura, West Bengal

Indus High School

Higher Secondary Education, 82%

Mar 2022

Bankura, West Bengal

Projects

Face Recognition System | *Python, OpenCV*

Oct 2025

- Developed a Face Recognition system using Python and OpenCV for real-time face detection and identification.
- Implemented image processing and feature extraction techniques to recognize faces accurately from live camera input or stored images.

Encryption-Decryption App | *Core Python*

Mar 2025

- Developed an Encryption-Decryption application using core Python language to secure sensitive text data.
- Implemented both encryption and decryption functionalities with a simple command-line interface for secure message processing.

AI vs Real Image Detection System | *Python, OpenCV, Machine Learning*

May 2026

- Developed a machine learning-based system to classify images as AI-generated or real photographs.
- Applied image processing and feature extraction techniques to analyze image characteristics and improve classification accuracy.

Coursework / Skills

- Operating Systems
- OOPS Concept
- DBMS
- DSA
- Artificial Intelligence
- Web Development
- Networking

Technical Skills

Programming Languages: Python, C, C++, SQL

Office Tools: Advanced Microsoft Excel, Microsoft PowerPoint, Microsoft Word

Developer Tools: Visual Studio Code (VS Code), Git, GitHub

Technologies/Platforms: Linux

Internship

Central Tool Room and Training Centre

10 Oct 2025 – 27 Oct 2025

AI and ML Intern

Bhubaneswar

- Completed an internship focused on Artificial Intelligence and Machine Learning, gaining experience in data preprocessing, model training, and performance optimization.
- Worked on real-world projects involving predictive modeling and deep learning algorithms using Python, TensorFlow, and scikit-learn.

Durgapur Institute of Advanced Technology and Management

09 March 2026 – 12 March 2026

IBM SkillsBuild – Data Analytics (Grade A+)

Durgapur

- Completed Data Analytics Certificate Course under the IBM SkillsBuild in Advanced IT Skills Program.
- Acquired practical knowledge of data analysis, data visualization, and data-driven decision-making techniques using industry-standard tools.

Certifications

- IBM SkillsBuild – Data Analytics (Grade A+) – IBM SkillsBuild
- Microsoft AI Classroom – Microsoft
- Python Programming – Udemy
